

# CONNECTED VEHICLES

THE NEW ERA OF DRIVING

**JOIN THE CONNECTED CAR REVOLUTION.**  
A NEW LEVEL OF SAFETY, CONVENIENCE  
AND ENTERTAINMENT ON THE ROAD AWAITS YOU.

**AND MAKE...**

1

## YOUR DRIVE SAFER

Experience peace of mind on every journey with PEUGEOT's connected vehicles and receive support in case of emergency.

2

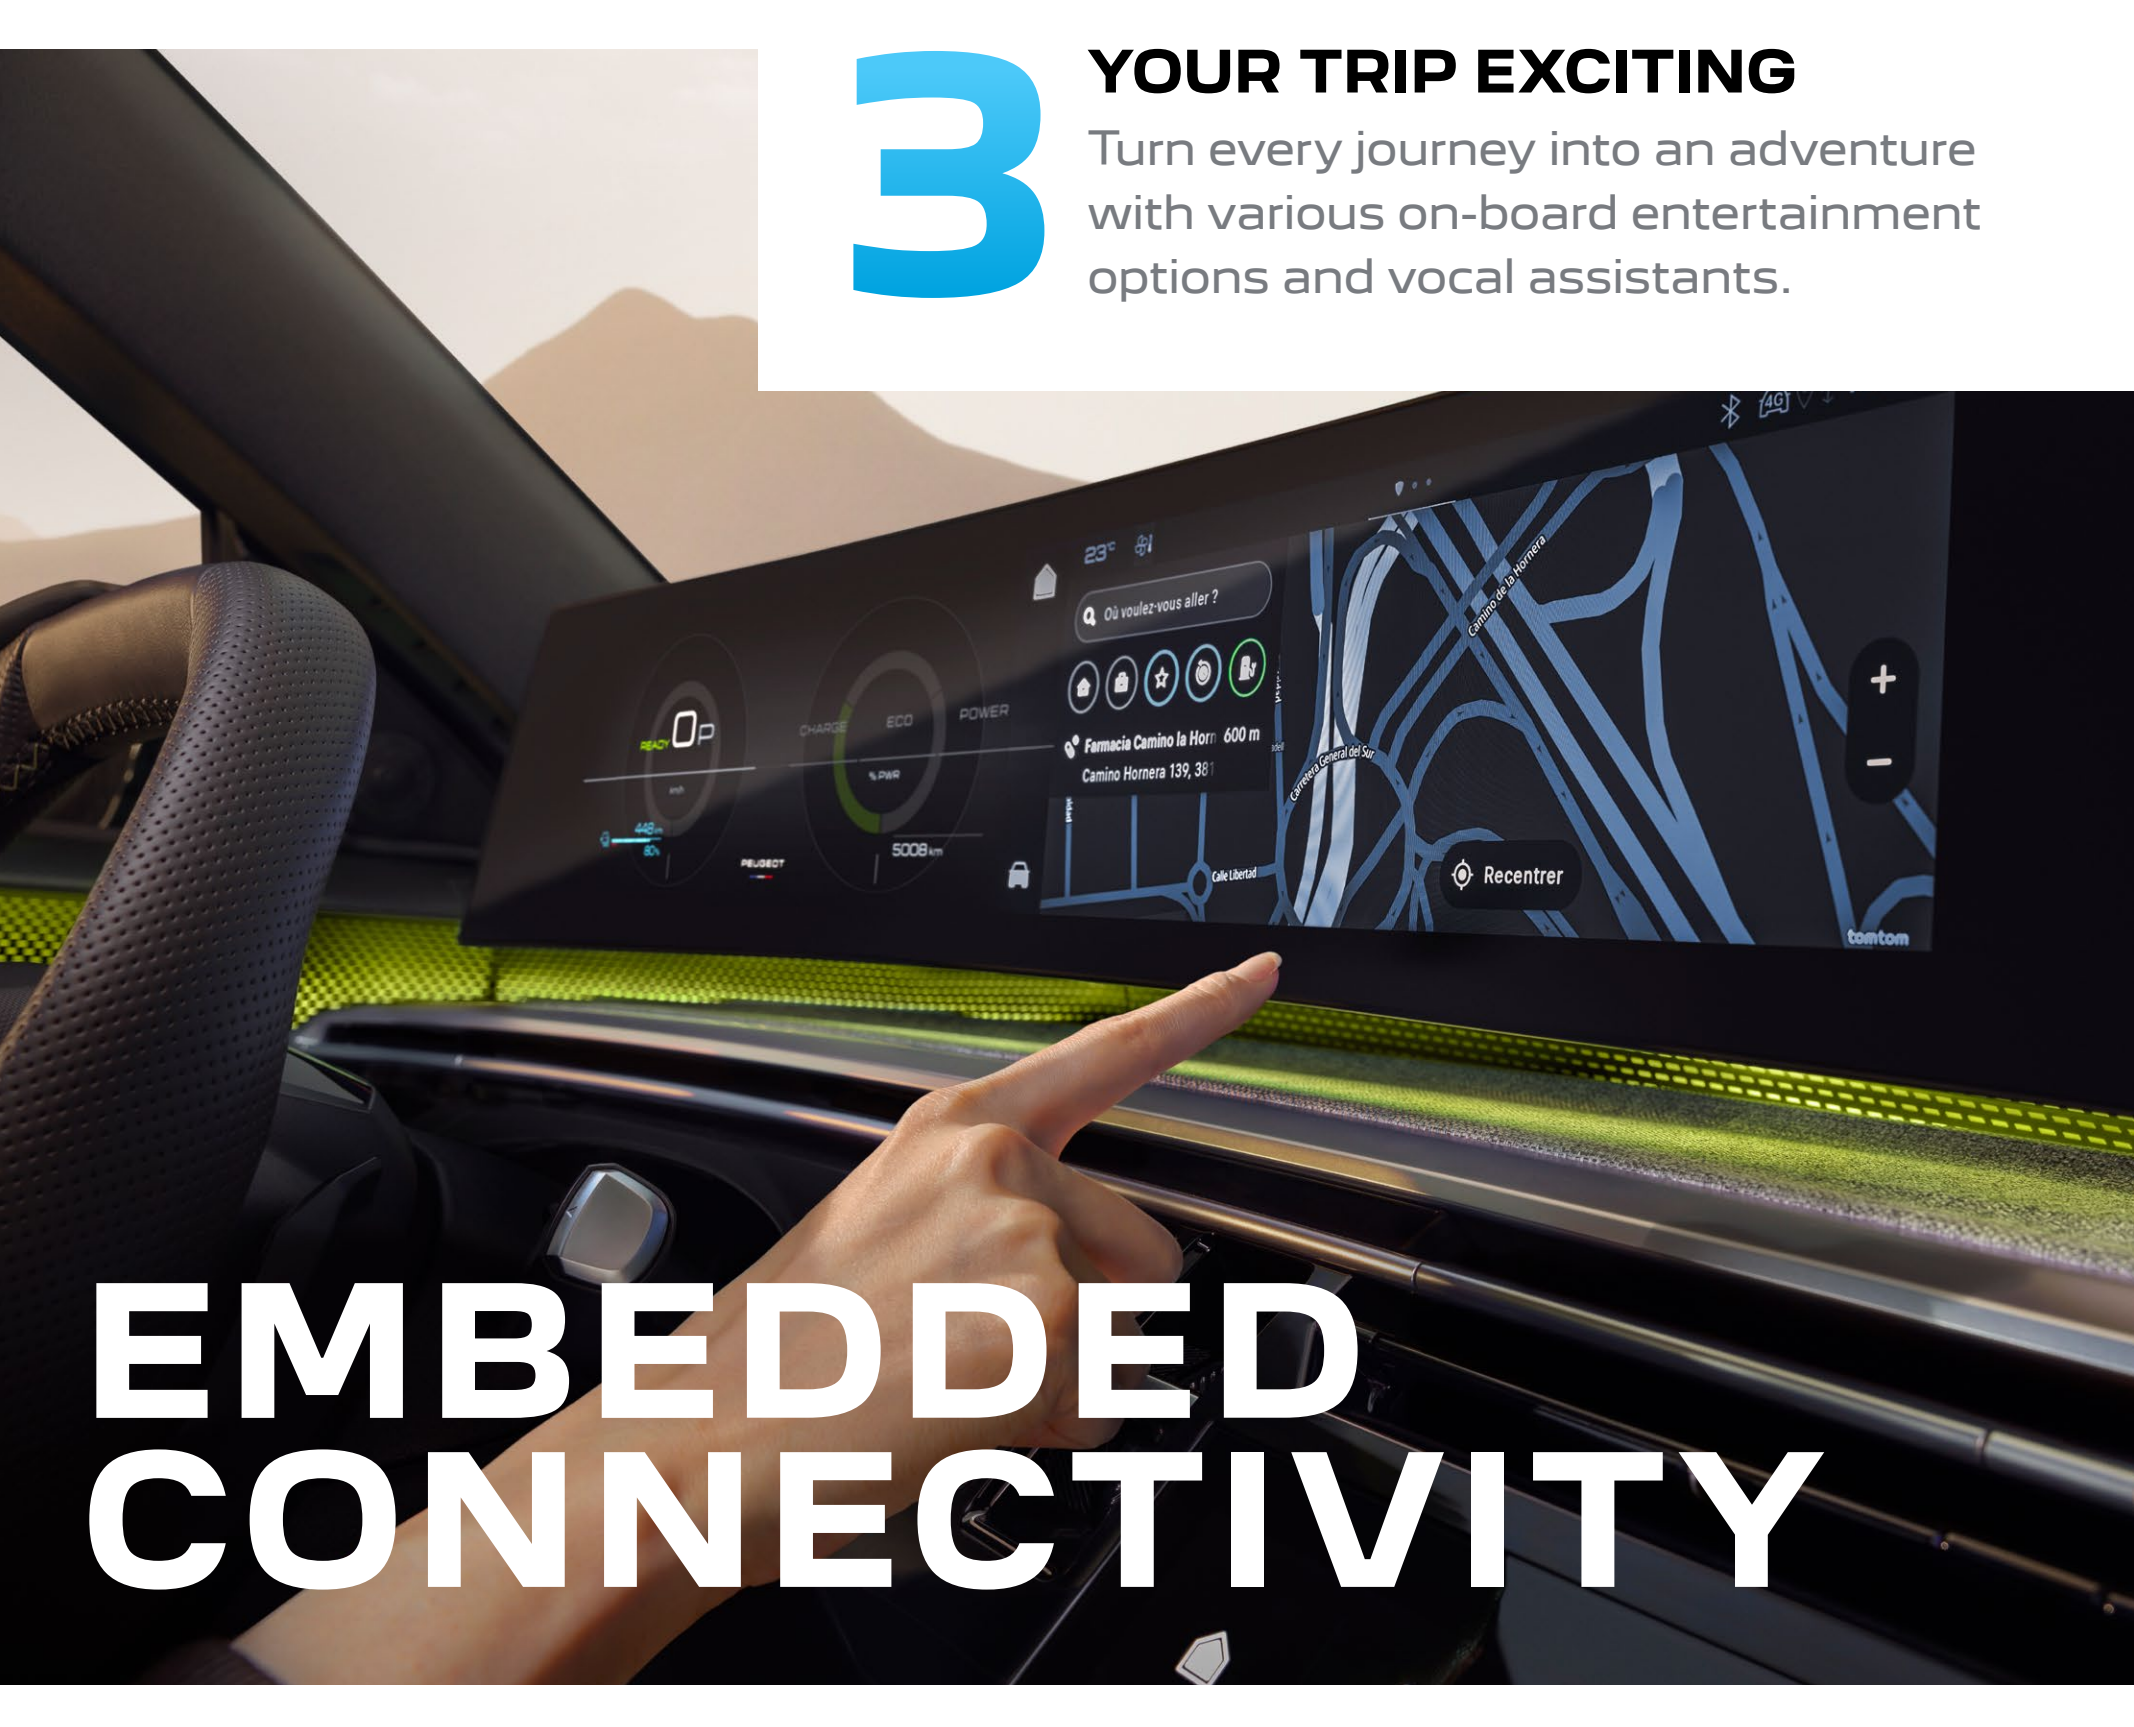

## YOUR LIFE EASIER

Say goodbye to traditional vehicle management hassles. Monitor your car off board wherever you are with a few taps on your smartphone. When on board, get real-time information of your surroundings.

3

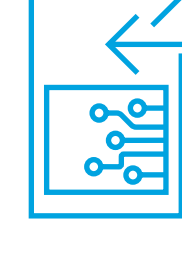

## YOUR TRIP EXCITING

Turn every journey into an adventure with various on-board entertainment options and vocal assistants.

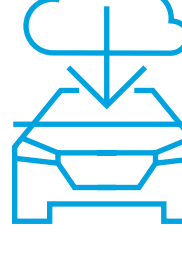

# EMBEDDED CONNECTIVITY

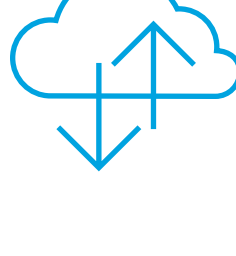

YOUR PEUGEOT IS NOT JUST A CAR. **YOU CAN NOW MANAGE IT LIKE A SMARTPHONE.** AN IN-BUILT **TELEMATIC BOX** ENABLES THE FOLLOWING FUNCTIONS...

**Internet connection via SIM card** to manage your vehicle remotely.

**Over The Air Software Updates** to always keep your vehicle **up to date**.

Storage of the communication with your vehicle **via cloud**.

**Localisation of your vehicle** and support in case of need, thanks to **embedded GPS**.

# IS YOUR CAR REALLY CONNECTED?

ON-BOARD BLUETOOTH, HOTSPOT TETHERING OR MIRRORING CAN ONLY OFFER YOU LIMITED CONNECTIVITY.

## BLUETOOTH

To pair your car with your smartphone just to share its audio.

## TETHERING

To have a temporarily connected car, using your smartphone internet data.

## MIRRORING

To use Apple Car Play/Android auto™ and use your smartphone apps on your car.

**EXPAND YOUR POSSIBILITIES** AND DRIVE INTO THE FUTURE WITH A TRUE CONNECTED VEHICLE!

A VEHICLE **EQUIPPED WITH A TELEMATICS BOX** GIVES YOU ALL THE ADVANTAGES OF CONNECTIVITY BASED ON COMMUNICATION AND DATA EXCHANGE.

CONNECTIVITY ALWAYS STARTS WITH THE **MyPeugeot APP**.

**DOWNLOAD IT** AND BEGIN YOUR CONNECTED JOURNEY.
